I don't get what they see in tomorrow  
All we know about is today  
Time is something you beg steal or borrow  
There's not enough to throw it away

One, two, three, four  
What the hell you waiting for?  
Screw what they do  
Live every day like it's your last day too

Don't let tomorrow ruin today  
Cos these are the times of our lives now  
Don't let tomorrow get in the way  
Don't miss the chance of a lifetime

Not the X or the Y generation  
It's just the alphabet anyway  
There's no future in misinformation  
The grass is always greener today

One, two, three, four  
What the hell you waiting for?  
Screw what they say  
It's your own life anyway  
Screw what they do  
Live every day like it's your last day too

Don't let tomorrow ruin today  
Cos these are the times of our lives now  
Don't let tomorrow get in the way  
Don't miss the chance of a lifetime

One, two, three, four  
Play the game don't keep the score  
Screw what they do  
Live every day like it's your last day too

Don't let tomorrow ruin today  
Cos these are the times of our lives now  
Don't let tomorrow get in the way  
Don't miss the chance of a lifetime

Don't let tomorrow ruin today  
Cos these are the times of our lives now  
Don't let tomorrow get in the way  
Don't miss the chance of a lifetime
