Mum and dad left Friday night,
They trusted me to be alright,
But I had plans of my own!
I wait til they were out of sight,
Rang around party at 9,
Didn't think you'd show

But every time I saw you
You were flirting with some other guy
From the bedroom to the kitchen!
Please tell me whyâ€¦.

Ex-Girlfriend is here again,
To try and make out with my friends,
She's flirting,
And it's hurting me,
Can't stop my stupid jealousy!

One o'clock I'm seeing double,
Later on there will be troubleâ€¦!
If this carries on!
I make a move on your best friend,
To make you notice me againâ€¦!
But it felt so wrong!
When I kissed her,
I still saw you dancing with some other guys,
I wish you'd stayed at home tonight!

Ex-girlfriend is here again,
To try and make out with my friends,
She's flirting,
And it's hurting me,
Can't stop my stupid jealousy!

So she's looking right at me!
Was she thinking to direct me?
To the bedroom and she looks so good
And I'm trying to resist her,
But she knows that I miss her,
And I still want to kiss her,
All night long, all night long, all night long!

Ex-girlfriend is this the end?
Or are we gonna make amends?
She's flirting,
And it's hurting me,
Can't stop my stupid jealousy!

Ex-girlfriend is this the end?
Or are we gonna make amends?
She's flirting,
And it's hurting me,
Can't stop my stupid jealousy!
