She was his only daughter
He would do anything for her
She was the apple of his eye
Now shes a teenage rebel
Out late and getting into trouble
And he cant stop her but he tries

I met her out at a club on Wednesday
Took her round to her dad on Friday
He was waiting at the door to say
Dont you come round here no more

[Chorus]

I'm gonna get it on with your daughter
Cant stop us going out tonight
I'll be waiting at the window for her
You wont win
I know, that you know, that she knows, that you better
Lock up your daughters tonight

He told her she was grounded
She looked at him dumb-founded
But knew he'd never get his way
Lock the windows, Chain the doors
I dunno why, it never worked before
She's gonna meet me anyway

He thinks shes stuffed up in bed
She'll be waiting with the light off instead
All dressed up, ready to go
When he wakes up she'll be gone

[Chorus]

She'll worry bout
Our going out
Dont be a fool
We're not at school
Dont lock up ya daughters
Lock up ya daughters

Lock up ya daughters tonight
Lock up ya daughters tonight
