I screwed up
You found me out
My libido went for a walk
And you didn't know that i'd be lying though my teeth
again
If i said that i was nearly on my feet again
I'm trying to convince myself
That i don't feel a thing

Coz i miss you more than i can say
And i think about you everyday
And i don't want to sleep with dirty girls tonight
I want you back and that's a fact
I want you back, that is that
I don't wanna sleep with dirty girls tonight
i miss you

You've got class
And she's jus trash
She got a slipknot tattoo on her ass
So tell me what's a growing boy sposed to do
Facing all these changes that I'm going through
I'm trying not to feel the way i feel

Coz i miss you more than i can say
And i think about you everyday
And i don't want to sleep with dirty girls tonight
I want you back and that's a fact
I want you back, that is that
I don't want to sleep with dirty girls tonight
I miss you
Not the dirty girls
I miss you

I'd be lying if i said that i was happy now
I'd be lying if i said i didn't care
And i'd wake up every morning feeling bad
Coz your not there

Coz i miss you more than i can say
And i think about you everyday

Should have known that you weren't like the dirty girls
And i want you back and thats a fact
I want you back, that is that
I don't want to sleep with dirty girls tonight
I miss you
Not the dirty girls
I miss you
Not the dirty girls
I miss you
Not the dirty girls
