Are you an angel?
Or are you brain-dead?
Cos when I mess up,
It doesn't faze you at all!
I lost your car keys,
And broke your window!
The more you let me, the less I know where I stand!

If you got angry, I'd understand it!
You understand me, and I can't stand it!

Would you really love me less,
If I shrank your favourite dress?
If I wasn't there on time,
Would I overstep the line?
If I hit on all your friends,
Would it be the bitter end?
If I missed your valentine,
Would I overstep the line?

I'm so stupid, but then you know that!
I say the wrong things,
But you forgive and forget.
And even if I forget your birthday,
And leave the seat up,
I haven't scared you off yet!
Where is this line drawn?
So I can find it!
So I can stand on the right side of it!

Would you really love me less,
If I shrank your favourite dress?
If I wasn't there on time,
Would I overstep the line?
If I hit on all your friends,
Would it be the bitter end?
If I missed your valentine,
Would I overstep the line?
Overstep the line!..

Would you really love me less,

If I shrank your favourite dress?
If I wasn't there on time,
Would I overstep the line?
If I hit on all your friends,
Would it be the bitter end?
If I missed your valentine,
Would I overstep the line?
