"Cheap Kicks"

Put me in the cab it's raining outside
Had it up to here this is the last time
You kissed me on my throat in broad daylight
And we were like two kittens in a play fight

It didn't last a week I could have told you so
You were too much for me and I didn't let you know
So now you loathe me gone to the dark side
And I'm in somebody's arms to get you off my mind

Cheap kicks are alright, yeah
If you don't know what's good for you tonight
Cheap kicks are alright
If you don't know what's good

A million hearts are broken every hour
It'll be OK, don't let the milk turn sour
Now there'll be no more going through the motions
And there'll be no more drowning in sweet potions

It didn't last a week I could have told you so
You were too much for me and I didn't let things grow
So now you loathe me you've gone to the dark side
And I'm in somebody's arms to get you off my mind

Cheap kicks are alright
If you don't know what's good for you tonight
Cheap kicks are alright
If you don't know what's good
Cheap kicks are alright
'Cause you don't know what's good for you sometimes
Cheap kicks are alright
If you don't know what's good

Cheap kicks are alright (x3)
If you dont know what's good

Cheap kicks are alright
If you don't know what's good for you sometimes
Cheap thrills are alright
If you don't know what's good

Noooo (x7)

Cheap kicks are alright (x6)
