Watcha drinkin'?  
Rum or whiskey?  
Now won'tcha have a  
Double with me?

I'm sorry I'm a little late  
I got your message by the way  
I'm calling in sick today  
So let's go out for old time's sake

I'll never forget you  
They said we'd never make it  
My sweet joy  
Always remember me

We were mischievous  
And you were always wearing black  
I was so serious  
You know my boyfriend's mother nearly had a heart  
attack

I'm sorry I'm a little late  
You know the stripes on a tiger are hard to change  
I know this  
World feels like an empty stage  
I wouldn't change a thing  
So glad you're back again

I'll never forget you  
They said we'd never make it  
My sweet joy  
Always remember me

I'll never forget you  
At times we couldn't shake it  
You're my joy  
Always remember me

We just got swallowed up  
You know I didn't forget you  
We just got swallowed up

We just got swallowed up  
And you love that I didn't forget you  
We just got swallowed up  
By the whole damn world

Watcha thinkin'?  
Did you miss me?  
I borrowed your silver boots  
Now if you'd just let me give them back to you,

I'll never forget you  
They said we'd never make it  
My sweet joy  
Always remember me

I'll never forget you  
Although at times we couldn't shake it  
You're my joy  
Always remember me  
Don't you know that you're my joy?  
Always remember me  
Don't you know that you're my joy?  
Always remember me
