"Merry Christmas to You"

Silver Bells in the air are ringing
People smile, even strangers are friends

And the sounds that you hear
That twinkle in your ear,
say Merry Christmas
Merry Christmas

Everywhere you can hear children singing
Holding hands, others skate two by two
All the world is in love
As the snow falls from above
And Merry Christmas to you

It's a time for hope and giving
It's a time to wish on a star
It's a time for life and living
It's a time when joy fills our hearts

There is peace on the earth
and it's ringing
every hope for good will to men

And I say to you, may all your dreams come true
and Merry Christmas to you

And I say to you, may all your dreams come true
and Merry Christmas
Merry Christmas
Merry Christmas to you
Merry Christmas to you
