Man the floor is so new
I hop out da car like i dont know shoot
Hop up in da bar like "hi how are you?"
Hey i'm just a star aren't i so cute
Look i been dis way

The first breath not da Holiday
Im no where near finish i am near dis day
Got bricks in my shoe
If u want u can lose
Here's a couple things i want u to do
Grab a couple seats i got a story 4 u
I came from da hood
But make good just 2 prove
2 myself i cud finish sumtin since i droped out of skool
But don't play me for a fool
I got money in da bank like Bill Gates do
and i may be stretching da truth
But im so fly dat i cud say it it's cool

(Chorus)

Im so fly and i dont know y
Im so fly and i dont know y
Im so fly and i dont know y
If a nigga slip i might fall down and die
Im so fly and i dont know y
Im so fly and i dont know y
Im so fly and i dont know y
If a nigga slip i might fall down and die

(Lil Wayne)

I'm...Weezy a.k.a bring your girl to my tour bus
She a gettin off unless she getting off to a bus
Don't give dat cup unless dat fukin cup poured up
An when i say poured up i mean wit syrup
Young Money balla i deserve a tall bitch
If deez was da tall dey ain't talkin bout ya'll shit

Hold up "kapuhh" there goez a feather
Ya'll nigga ain't even shoulder lever
An i ain't no over level

I'm on they brain like sum muthafukin antlers
Yea shake sum like dancers
Question my swagg an get a muthefukin answer

(Chorus)

Im so fly and i dont know y
Im so fly and i dont know y
Im so fly and i dont know y
If a nigga slip i might fall down and die
Im so fly and i dont know y
Im so fly and i dont know y
Im so fly and i dont know y
If a nigga slip i might fall down and die

(Raje)

If u stay fly den rock wit me
If u stay fly cum and talk wit me
If u stay fly ba ba rock wit me
If you stay fly den take off wit me
An i get im not "game" in no "50"

If a nigga slip i might fall down and die
