Today we will be discussing... Love
(I dont think you hear me though)
Is there anyone.. (I don't think you hear me though)
Is there anyone.. (I don't think you, I don't think you)..
anyone...in love?

[Hook]

I shoulda known better than to be out here fuckin' with
you
Knowin' the shit you do
I shoulda known better than to be out here fuckin' with
you
All that shit you took a nigga through
I told myself that everything would work out fine
(I fucked 'round and hit it)
fucked around and slipped and hit that pussy one mo'
time
(I fucked 'round and hit it)
and got caught up in something that's worse than
drugs
I'm a motherfuckin' fool for love.

and I'm just a (just a) just a (just a)
a motherfuckin' fool for love.

[Verse One]

man, I was sure I had Ms. Perfect
I was settling down
through fuckin' round
most the time I stayed at her house
spent all my time, with her when we stayed in the town
thought this shit right here was really bout to work out
quickly found out, that wasn't her intentions
shorty phone used to ring e're five seconds
ain't pay attention
she would always take her calls in the kitchen
go to the sink, runnin' water like she washin' dishes
ain't tryin' a listen
I know how them shorties is
always in somebody business
gossipin', shootin' bullshit with her girlfriend

one day feelin like a joker
told her I wasn't comin over
Jive got me on the last flight out to Arizona, what I told
her
went over unexpected
rung the bell (ding dong!) Domino's (just a second!)
opened the door with the robe on
she only put on, when she naked as the day she was
born
I'm just standin' there with crossed arms
then her baby car came out
lookin' at me like ("Nigga wha's wrong?!")
Wha's wrong?!?

[Hook]

I shoulda known better than to be out here fuckin' with
you
Knowin' the shit you do
I shoulda known better than to be out here fuckin' with
you
All that shit you took a nigga through
I told myself that everything would work out fine

[Verse Two]

if I aint just get outta prison,
man listen, I'd a did him
by Kentucky Fried Chicken, and the nigga, I aint'
bullshittin'
glad I had my man with me
he fast, turned me around
pulled me out the house
to the car, nigga we out
I'm madder than a muhfucker, heart tore up
lookin for a clip to dry this off the side of (whoo!)
man I caught him in the house wit' my girl
damn cuz that shit was fucked up
fuck her,.... just like the rest of 'em
I'm a tell ya somethin', I can't front

and I done called her up we talked
I aint mad as I was
