It's 1969 in my head I just wanna have no place to go I'm livin' through the sound of the dead I'm gonna get stoned look round at my soul

I'm hearin' voices in the trees And seein' footsteps in the rain I just wanna die before I loose my doll I have been cryin' in my sleep 'Cause I don't know where I've been I just wanna live to see another day

Hey hey

Hey hey hey hey Hey hey hey hey Hey hey hey hey Hey hey hey hey

When I get my Buick six I'll see my life drop in that whirlpool If I get to see you again You're the only one I know Hey

Yeah Here we go There I stand I'm a seed Of a man Dare I go Dare I stare I'm a seed Of a man
