Yeah, my baby
Yeah, my girl
Yeah, my baby
You'll never rule the earth

This ain't the real world
It ain't a fuckin' thing
People are full of hurl
And so are all their friends

Yeah, my baby
Yeah, my girl
Yeah, my baby
You'll never rule the earth

Two of a kind
Three ain't a pair
Real love were blind
Now she don't care

Yeah, my baby
Yeah, my girl
Yeah, my baby
You'll never rule the earth

Yeah, my baby
Yeah, my girl
Yeah, my baby
You'll never rule the earth
