We were hiding from the rain and the thunder  
I've been staring out for days as i wonder along here  
down  
As I wonder a long day around  
So here we are again we're outnumbered  
The feeling is a weight that I'm under  
Thought I heard her call my name in the summer  
Is it ever gonna change?  
In my slumber alone

I can hear myself walking through this earth  
Can't believe they've started  
Talking so retarded  
I don't know what i don't know  
Let me go  
We were hiding from the rain and the thunder  
I've been staring out for days as I wonder
