When I'm next to you my words are blown away like  
ashes, oh,  
around you my heart just collapses.  
And the days roll by,  
as I wonder why,  
why you're such a heartache,  
why I'm so pathetic,  
and I, wish I,  
could be your heartache.

So you, you spend your time thinking, what do you  
think?  
My will to fight for someone is shrinking, I'm on the  
brink,  
and I, I'm probably wasting my time dreaming of being  
with you,  
but I, I'm probably drowning my voice of reasoning too.  
I'll never reach out and grasp someone like you,  
never someone like youâ€¦

I'm tangled up, wrapped around you.  
You're so amazing, but what will I do?  
I want to prove myself to you so bad,  
but I don't know how and it makes me so sad.

I know every dog has it's day,  
but when will mine head my way?  
Oh, ohâ€¦ ohâ€¦  
You're so amazing.  
You're so amazing.  
I don't know what I'd do without you.  
Why oh Why?  
Without you.
