Here we go again
M-S-G
and we're back on the street
and we're feeling horny
gonna make you hot
hot like a roast duck
when we done gonna throw you in the wok

Me and my homies
in chinatown
cruisin' around with
with the top down
gettin real crazy
gettin' real loud
just mackin' on the bitches saying 'ni-hao'

We bang the gong
Hong Kong
D-Lo
Funky Buddha
we can't
be stopped
just let the egg-drop

you know we like to move it
we can do it
just bamboo it
don't have to prove it
to no one
kickin' back and eatin' chow fun

CHORUS
We party every night
so proud to be Fresh Off the Boat for life
yeah muthasucka stand up for your rights

A green card would be nice
so proud to be Fresh Off the Boat for life
yeah muthasucka now's the time to fight

BREAK

Yo D-Lo you gonna bring it, G?
- Facheezie on the reezie, son
Straight-up yo, show 'em how we do it in the c-town

Let's start the show
D-Lo
you know
I got
my ho's in the limo
ready to go
I got more muscle than Lou Ferrigno

check it I'm checkin' you out
makin' all the pretty girls shout
when they see my sexy booty
you know they gonna want to do me

we're goin' insane
in the chow mein
takin' out the phonies
playin' our game
don't like baloney
love the sugar cane
with my O.G's
bling blingin' our jade

1-2-1-2-3
all the girls lookin' sweeter than a red bean bun
it's time - to - break 'em off some
get ready for the MSG 'cuz here we come

CHORUS
We party every night
so proud to be Fresh Off the Boat for life
yeah muthasucka stand up for your rights

A green card would be nice
so proud to be Fresh Off the Boat for life
yeah muthasucka now's the time to fight

Yo we ain't rollin' out yet busta...we still all up in this
bitch
Yo Funky B it's time for you drop the yellow bomb on
these muthasuckaz

Funky Buddha in the house yo - no joke
now it's time to hit the bong 'cuz I'm diggin' on the
smoke
inhale - exhale, yo
burnin' a fatty everywhere I go

it's getting so damn hot in the kitchen
people dissin'
jealous of all the ladies we kissin'
now listen
to the funky beats you're missin'

Put your hands together for the boys
got the wontons and the baby bak choy
Makin' good food everybody can enjoy
From New York city to old Hanoi

in my right hand my tek-9
in my left hand my fried rice
drink my oolong tea on ice
smoke the egg roll oh so nice

REPEAT CHORUS
