No I didn't trust him  
But he rushed me to feel  
Tried to mesmerize me  
With his all sex appeal

Told me everything  
That I was longing to hear  
Shiny and handsome  
My souvenir

And then all of sudden  
I have fallen in love  
He would put me down  
But I'd still place him above

Tired of searching for the love  
That still lives in him

Given my everything  
Like a souvenir

Given up my heart  
In the name of the memory  
Fallen down like rain  
He could feel every drop

Now I know I have  
Let the courage to tell you  
do you, do you stop! stop! stop!

Given up my heart  
In the name of the memory  
Fallen down like rain  
He could taste every drop

Now I know I have  
Let the courage to tell you  
Do you, do you stop! stop! stop

I've become invisible  
I melt away at night

Dreaming was so colorful  
Becomes the black and white

Loving once so wonderful  
Is no longer here  
So I'll keep this feeling  
Like a souvenir

Given up my heart  
In the name of the memory  
Fallen down like rain  
He could feel every drop

Now I know I have  
Let the courage to tell you  
Do you, do you stop! stop! stop
