Chorus):

Blue on blue, heartache on heartache

Blue on blue now that we are through

Blue on blue, heartache on heartache

And I find I can't get over losing you

I walk along the street we used to walk

Two by two, lovers pass

And as they're passing by, I could die

'cause you're not here with me

Now the trees are bare

There's sadness in the air

And I'm as blue as I can be

(chorus)

Night after lonely night, we meet in dreams

As I run to your side

You wait with open arms, open arms

That now are closed to me

Through a veil of tears

Your vision disappears

And I'm as blue as I can be

(repeat chorus and fade
