Last night we had a quarrel

And I lost my head

How silly of me to say

The things I said

Let's kiss and make up

Why should we break up

Say it's not too late yet

To forgive and forget

Funny but it doesn't matter now

Who was wrong or right

Darling all that matters now

Is that I miss you tonight

Let's kiss and make up

Why should we break up

Say it's not too late yet

To forgive and forget

'Cause I'd do anything

To be with you again

Let's kiss and make up

Why should we break up

Say it's not too late yet

To forgive and forget
