Over the mountain

Across the sea

There's a girl, she's waiting for me

Cross over the river, beyond every cloud

She's passed the wind that's blowing loud

Over the mountain, a girl waits for me

Tell all the sands and every blade of grass

Please tell the wind to let my love pass

Over the mountain, a girl waits for me

Tell the moon up in the sky

Tell the birds that fly by

That over and over and over the mountain

My love waits for me

Into each dark and starry night

Oh, what a mystery that's sealed so tight

Over the mountain, a girl waits for me
