I can still remember
When you moved in next door
I brought you some choc'late
From the corner candy store
When it started raining
You started crying too
That was the first time
I sang this song to you
Rain rain go away
Come again some other day
Rain rain go away
Bring my love a sunny day
We grow up together
And as the years went by
Ev'rybody knew that we were
Sweethearts you and I
Through many april showers
I held your hand in mine
Between the raindrops
We sang time after time
Rain rain go away

Come again some other day

Rain rain go away

Bring my love a sunny day

I went away to college

You said you'd wait for me

Then I got your letter

Asking me to set you free

Tomorrow you'll be married

There's nothing I can do

But wish you sunshine

Now and your whole life through

Rain rain go away

Tomorrow is her wedding day

Rain rain go away

Bring my love a sunny day
