I love you, there's nothing to hide,
It's better than burning inside,
I love you, no use to pretend,
There! I've said it again.
I've said it, what more can I say,
Believe me, there's no other way,
I love you, I will to the end,
There! I've said it again.
I try to drum up,
A phrase that will sum up,
All that I feel for you.
But what good are phrases,
The thought that amazes,
Is that you love me,
And it's heavenly.
Forgive me for wanting you so,
But one thing I want you to know,
I've loved you since heaven knows when,
There! I've said it again
