we'll remember good lies
when we carry them home
with us to our bedside table
and our coffee sets

we'll remember good lies
when they live in a room
with us, use our kitchen table
and our little beds

we'll remember good lies
when we carry them home
with us to our bedside table
and our coffee sets

we'll remember good lies
when they're always with us
in our beds, even when we
shake our heads

let's just imitate the real
until we find a better one
let's just imitate the real
until we find a better one

remember the good lies
we'll remember the good lies when
remember the good lies
we'll remember the good lies when

let's just imitate the real
until we find a better one
