One day he woke up and he was ill  
He tried to be like us  
He tried to kill all our friends  
We locked him in a cage but he was still  
loud and so we left  
We don't know him anymore

We heard of him in 1985  
He attacked three people with a knife  
When he died we didn't shed a tear  
This alien was ill.  
We don't love him anymore

Was nice to watch him play  
with the big toys  
we never thought he could be so cruel

You never watched him play with the big toys
