Beneath the bin of blind binoculars I
See a legless mole
Trying to score the greatest goal
With a complete
Ball of redemption sanity
Think an inch
And sink a sewage pile I
Loved a boat that could not float
On shark infested seas of commotion
So I died for a while
Everyone dies for a while
Memories breathe all the time
The most tiring day
For me, so far away
The most tiring day
Increase our need to decrease
The most tiring day
Gained a journey on a bouncer's fist his
Danger made me laugh
And his penis made me cringe
But that was months ago
And he was a kiss compared to this
Sink an inch
And gain a sewage pile I
Loved a ship that couldn't fit
On shark infested seas of commotion
So I died for a while
Money cannot buy this round
A rainbow hurse on a rainbow cloud
There's plenty more like me around
So I died for a while
Money cannot buy this round
A rainbow hurse won't drive me out
Because there's plenty more like me about
And I won't die for a while
Even though it is
The most tiring day
For me, so far away
The most tiring day
Increase our need to decrease
The most tiring day

Memories breathe all the time
Energies hand-glide the line
