He's trying to see
Pieces that he needs
For a puzzle of two lives

Dark pieces of life
Are missing her smile

He hardly believed it
How hard would she try
To place in the missing pieces right
He starts to cry:

"Where are you now?
Open your bright eyes.
My love's looking for you."

The memory of her
Makes his heart turn;
Striving for her love

His bleeding mind is still
Painting her smile

An arc of longing
Opens wide for her
A thousand miles away from her
He starts to scream:

"Where are you now?!
Open your bright eyes.
My love's burning for you.
Where are you now?!
Open your bright mind.
There's a million ways to find it.

Are you waiting for me
As you are doing your everything?
Even everything you need
Is burning for you here.
Open your eyes.
Open your mind

It's the key.
It's in you.
It's in me.

Where are you now?
Open your bright eyes.
I'm here burning for you.
Where are you now?!
My heart is right here
It's singing here for you."
