See me hanging on a phone,
Waiting here alone
To be true: tryin' to get in on

From the traces I could see, I should release,
Fall outta bed and kneel,
No more

No more faking love!
A cold way to go
Sell my soul to pay it all
But tonight...

We stand, we fall, we rise, we're moving on
It's automatic, baby
We stand, we fall, we rise, let's get it on
It's automatic, baby
Tonight, we shine
Everybody wants to get this right
The party is here no doubt, no fear
Let's kiss the sky and wipe away our tears

There's she, coming straight at me
On my own TV
Now I know, Lauren caught my soul

From her traces I could see, I should release,
Break the chains and be
Hers alone

No more faking love!
The cold way to go
Sell my soul to pay it all
It's alright

We stand, we fall, we rise, we're moving on
It's automatic, baby
We stand, we fall, we rise, let's get it on
It's automatic, baby
Tonight, we shine
Everybody wants to get this right

The party is here no doubt, no fear
Let's kiss the sky and wipe away our tears
