Ain't got no time to smile
You broke my heart in two
Love seems to be an ole clich,
Guess you've proven that true

Oh standing on corners
Wondering what's happening to my love
Sun is still shining
But i feel like there are clouds above

Got no time to smile
My baby's gone away
Used to have you in my hands
Now you're in my soul

Oh standing on corners
Wondering what happened to my love
Sun is still shining
But I feel like there are clouds above
