Tu crois que le monde est Ãf toi

Qu'il t'appartient

C'est ta chose, tu en disposes

Sans qu'il n'en reste rien

Avide et gourmand, tu prends

Peu importe demain.

Demain?

S'il reste un lendemain

Je le veux en paix pour les miens.

Demain, demain, demain

Si il reste un lendemain

Demain, demain, demain

Je le veux en paix pour les miens

Demain, demain, demain

Que voleras-tu demain?

Demain, demain, demain

La paix des miens.

Elle pleure

L'aurais-tu caressÃfÃ©e un peu trop fort?

Ou bien l'as-tu encore battue Ãf mort?

Tu es trop faible pour souffrir

Trop lâche pour en finir

Disant "J'arrête demain..."

Demain?

S'il reste un lendemain

Je le veux en paix pour les miens.

Demain, demain, demain

Si il reste un lendemain

Demain, demain, demain

Je le veux en paix pour les miens

Demain, demain, demain

Que voleras-tu demain?

Demain, demain, demain

La paix des miens.

Demain, demain, demain

Je rêve d'autres lendemains

Demain, demain, demain

La paix pour le monde et les miens

English Lyrics:

TOMORROW

You think the world is yours

That you own everything

It's your thing, You're all set

There's nothing else

Lover of fine things

What will tomorrow bring?

Tomorrow

If there's still a day after today

I want this one for myself in peace

Tomorrow, Tomorrow, Tomorrow

If there's still a day after today

I want it for myself in peace

Tomorrow, Tomorrow, Tomorrow

What are you stealing?

Tomorrow, Tomorrow, Tomorrow

Peace is mine

She's crying

Did you hold her too tight?

Or did you already get rid of her?

You are too weak to suffer

Too wise to end it now

Are you saying Tomorrow, Tomorrow

If there's still a day after today

I want it for myself in peace

Tomorrow, Tomorrow, Tomorrow

If there's still a day after today

I want it for myself in peace

Tomorrow, Tomorrow, Tomorrow

What are you stealing?

Tomorrow, Tomorrow, Tomorrow

Peace is mine

Tomorrow, Tomorrow, Tomorrow

I dream of another day

Tomorrow, Tomorrow, Tomorrow

World peace is mine
