Psychotic Memories

Division of mind and body  
My eyes have never seen this clear  
The truth comes cutting through me  
Like a knife with pain of so many years

Fear of my reality  
It keeps crashing down on me  
Relief of my affliction, it comes  
Only in my, only in my dreams

Only in my dreams  
I hear no violent screams  
Psychotic memories  
That have no grip on me  
Only in my dreams  
I hear no violent screams  
Mind beyond control  
The severing from my soul

Anger breeds within me  
The toll of a thousand violent screams  
These constant confrontations keep tearing me  
Like a fucking disease

Fear of my reality  
It keeps crashing down on me  
Relief of my affliction, it comes  
Only in my, only in my dreams

Only in my dreams  
I hear no violent screams  
Psychotic memories  
That have no grip on me  
Only in my dreams  
I hear no violent screams  
Mind beyond control  
The severing from my soul

These eyes of emptiness  
Only in my dreams

Only in my dreams  
I hear no violent screams  
Psychotic memories  
That have no grip on me  
Only in my dreams  
I hear no violent screams  
Mind beyond control  
The severing from my soul
