[Chorus 2X: Random]

We gon' rock right, stock right, 'til we got it locked tight  
Hot like cruisin through the stoplight, that's right  
Roll hard, go hard, Bogart, whole squad  
Buy you every minute like a pre-paid phone card

[Random]

My spectacular vernacular makes me rap with a chip on  
my scapula  
When I'm attackin ya it's a massacre  
Danger is imminent when Random be rippin it  
Half of my fans are participants, philanthropists or  
hypocrites  
See I'm a man among infants and the difference is  
persistence  
From this distance I can't hear your whispers  
But don't risk it, cause the slightest inference'll  
get you done like the dishes I'm knee deep in the  
trenches  
Resistance is senseless, man you done crossed the  
line  
You lost your mind? I'm sharper than porcupines  
And your shine? Of course it's mine  
I'm sick - stuffy head fever, nauseous I'm  
a problem, word to Big Ran, rip jams  
Regardless of what it scan, yo it's bland  
On the warpath, a storm is in the forecast  
Charge into battle like Leroy in Warcraft  
Leroy!!! And only nerds'll get that  
Step back, you in the deathtrap, screamin EFF RAP  
I'm level 99, y'all dudes just try to rhyme  
Better off with a life of crime than tryin to bite these  
lines  
You wanna fight me fine, this destined is by design  
I show up and rappers go SWOOSH~! Like the Nike sign  
How you gon' hate son, Mega Ran's the great one  
That you ain't safe from with the same dude that laced  
Pun  
No jewelry, you still can't fool with me musically  
Do the knowledge, go ahead and Google me  
Or get your readin up, check out Wikipedia

You see me leavin crates in the game like a meteor  
And the media they finally recognizin  
We enterprisin and probably see millions on the  
horizon  
It makes no difference man, y'all can't spit with Ran  
When I hit Japan, fans gon' call me ICHIBAN

[Chorus]

{Here we go! FINAL STRIKE}
