[Verse 1] I was blessed wit a gift, both to teach and to spit And I was taught to show grace when receiving a gift I'm like a Fiend needing a hit, I'm pleading the fifth Nah I got high on life, never needed a spliff But dnt be takin me as, some kinda flake or a crab, don't be makin me mad, cuz I don't play with the pad That is unless it's the one that regularly come wit World Class Track Meet cause the boys an athlete We all been rhymin for years, but similarities end, yall spitting into the wind- tryna make mine a career That was an external rhyme, if yall ain't peep the design, since boss there ain't been tracks deeper than mine I used to write on my mirror in my tiny little room That I would get large wit my tiny little tunes And I ain't where I wanna be yet But I'm closer than I was last week, baby steps I guess [Hook] We are- takin rap higher than ever-before so come on get board if you wanna soar you ain't gotta deal wit the frauds no more... Don't be scared cuz we got that Goodness Random got the K-Murdock got the Dn3 got the We all got the goodness Come on in and get open of the sound We got enough to go around [Verse 2] Call me the R wing co starring K-murdock, here's a hearty meal cuz yall been starving We all bring somethin fresh to the table Forks and knives plastic, my raps ain't fatal For my peeps out in Rochester sorry I'm late a little health food break from the garbage plates Taste good goin down, it's been heavily tested my message so refreshing it's compared to a beverage No MSG. Just a def mc an and producer on a MPC blasting off like the spirit rover you couldn't see me wit a kepler, I rep the, inner city and the steppers Fox mccloud when I box em down Got the naysayers optin out They want me to stop but not right now I got the blogs kinda hot right now, you see it... [Hook] [Verse 3] All I wanted was a few spins, benzes wit new rims never excited me so I tied up my loose ends payin my dues, tried obeyin the rules every night shacking at a different red roof inn Its obvious the game need a hero Yall look impressive, but you playin against kids, like tim tebow Impregnable D, tryna be what I was destined to be Whats that-I guess a legend emcee

Mega Ran, heavy hand strong mind-- a long line of  
greats preceeded me, so I thank yall for yall time Fans  
lined up like ladies at the rest room Constantly  
emailing awaiting my next move I can't tell you cause I  
wouldn't be ran All I can say is stay tuned, take a look  
at ya man Chubby oak lane kid wit dimples and a  
dream And makin money in rap ain't as simple as it  
seems Couldnt have fun wit one gsme Turn signal  
burned out cuz I can't stay in one lane I move to video  
games then EGM's gone But we gone keep it goin  
strong Forever Famicom, perform then we gone A  
jiggle to the left and the right and we on Eons beyond  
what you consider the norm My songs is psalms, that's  
the crusade we on, let's go... [Hook]
