[a capella]

Day after day  
I will walk and I will play  
But the day after today  
I will stop  
and I will start

Why can't I get just one kiss?  
Why can't I get just one kiss?  
Believe me there's some things that I wouldn't miss  
But I look at your pants and I need a kiss!

Why can't I get just one screw?  
Why can't I get just one screw?  
Believe me I know what to do!  
But something won't let me make love to you.

Why can't I get just one fuck?  
Why can't I get just one fuck?  
I guess it's got something to do with luck!  
But I waited my whole life for just one...

Day after day  
I get angry  
And I will say  
That the day  
Is in my sight  
When I'll take a bow  
and say goodnight.

Oh my my mymymy mo mo mum  
Have you kept your eye, your eye on your son?  
I know you've had problems  
You're not the only one  
When your sugar left, he left you on the run.

Oh my my mymymy mo mo mum  
Take a look now at what your boy has done  
He's walkin' around like he's #1  
He went downtown and he got him a gun.

So don't shoot shoot shoot that thing at me

Don't shoot shoot shoot that thing at me  
You know you've got my sympathy  
But don't shoot shoot shoot that thing at me  
[repeat]

Broken down kitchen at the top of the stairs  
Can I mix in with your affairs?  
Share a smoke, make a joke  
Grasp and reach for a leg of hope.

Words to memorize  
Words hypnotize  
Words make my mouth exercise  
Words all fail the magic prize  
Nothin' I can say when  
I'm in your thighs

Mo my my mymymy mo my mother  
I would love to love you, lover  
City is restless, it's ready to pounce  
Here in your bedroom, ounce for ounce  
[repeat]

I'm givin' you decision to make  
Things to lose, things to take  
Just as he's about ready to cut it up  
She said,  
"Wait a minute, honey, I'm gonna  
Add it up."

Oh  
Add it up!  
Add it up!  
Add it up!  
Add it up!  
[repeat]

Day after day  
I get angry  
And I will say  
That the day  
Is within my sight  
When I'll take a bow  
And say goodnight

goodnight
