America is
America is
America is
America is

America is the home of the hypocrite
America is the home of the hypocrite
America is the home of the hypocrite
American dream so f-f-full of it

Look at the Indians, look at the Blacks
Look at the figures, look at the facts
Look at the facts, the facts not the lies
When you find out, big surprise

America is the home of the hypocrite
America is the home of the hypocrite
America is the home of the hypocrite
American dream so f-f-full of it

Check out the Indians, check out the Blacks
And you check out the figures, and you check out the
facts
Check out some facts, check out the facts not the lies
When you find out, it's a big surprise right between the
eyes

America is the home of the hypocrite
America is the home of the hypocrite
America is the home of the hypocrite
American dream is only a dream

No desperation limit
New desperation level
Even though my nose don't work
I smell trouble, I smell trouble

No desperation limit
New desperation level
Murder, murder in the Government
Say you're sorry, say you're sorry

No desperation limit
New desperation level
Turn the key, turn the lock
Nationalism, you can suck my

No desperation limit
New desperation level
Watch how the world's progressin'
Everywhere
Aggression, aggression
Aggression, aggression
Aggression, aggression
