Tell you man, I?m stuck on this lovely girl
Of course to me she mean all the world
But then she like another guy
I fall down dead, she never see the tears I cry

Said, please, please, please, do not go
Please, please, please, do not go
Please, please, please, do not go

How long can the days go on?
When my love is so strong
And I know I cannot tell a lie, oh, oh, oh
I wanna see him go, bye
Bye, bye, bye, bye, bye, bye, bye

Now, I wonder, I wonder what she would say
If I told her, if I told her that I felt this way?
You know it might make her turn, might make her turn
Might make her turn either way
So all I can do is patiently pray
Pray, pray, pray, pray

Said, please, please, please, do not go
Please, please, please, do not go
Please, please, please, do not go

How long can the days go on?
When my love is so strong
And I know I cannot tell a lie, oh, oh, oh
I wanna see him go, bye, bye
Bye, bye, bye, bye, bye, bye

I tell you man, I?m stuck, I'm stuck
I'm stuck on this lovely girl
And you know I could travel, I could travel
Over the whole world
And you know that she turn around
She turn around, she like another guy
Oh, what can I do? I fall down dead
She never see the tears I cry

Please, please, please, do not go

Please, please, please, do not go
Please, please, please, do not go, oh, oh
Please, please, please, do not go, oh, oh

Please, please, please, you hurt me so, oh, oh
Please, please, please, you hurt me so, oh, oh
Please, please, please, I got something to show you
Please, please, please, I got something to show you
