Just last night I was reminded of just how bad
It had gotten and just how sick I had become
But it could change with this relationship
De-de range we've all been through some shit
And if were a thing I think this things begun

Tell me now what do I have to do
Alright, tell me now, what do I have to do
Alright, tell me now, what do I have to do
To prove my love to you

Special favors come in 31 flavors
Were out of mints, pass the life savers
I'm droppin' hints candy for candy-coated tongue

You'd be so good, so very good for me
What do you think tell me honestly
I'm wait wait wait w-wait wait
Waiting for you to come

Tell me now, what do I have to do
Yeah, tell me now, what do I have to do
Yeah, tell me now, what do I have to do
Yeah to prove my love to you

Third verse same as the first
Just last night I was reminded of just how bad
It had gotten and just how sick I had become
But it could change with this relationship
De-de range we've all been through some shit
And if were a thing I think this things begun

Oh, tell me now what do I have to do
Yeah, tell me now, what do I have to do
I'd do anything, what do I have to do
I'd do it all, what do I have to do

I'd do it all for you, what do I have to do
I'd climb a mountain, what do I have to do
I'd cross the ocean, what do I have to do
I'd do it it all, what do I have to do

Oh, to prove my love to you
