Someone sucked me late last evening
And it was time to make a change
And I wonder am I too late, am I too far a strange
For what I have been doin' for all of these years

Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'
Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'

I have so few good memories
Something's terribly wrong, as a singer singing badly
As he tries to sing the wrong song
Look what I have been doing all of these years

Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'
Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'

Something moving in the light
Something spoke to me and said, "Go, go, go, go"
Something's moving in the house show, something to
show
For what I've been doing for all of these years

Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'
Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'

Someone sucked me late last evening
And it was time to make a change
And I wonder am I too late am I too far a strange
For what I have been doin' for all of these years

Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'
Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'
Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'

Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'
Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'
Sleepwalkin', sleepwalkin', slee-ee-eepwalkin'
