I see no way out.  
I feel a closing in.  
Living this way, I won't live this way.  
Its no way to live.  
I am not grateful.  
I am hateful.  
I see stupid things,  
So I say stupid things.  
One thing I know I want to go  
Where my heart can't hurt no more.  
I am not grateful.  
I am hateful.  
I am not grateful.  
I am painful.
