This song doesnt exist at all  
It was never written by violent femmes  
Or any other band  
If you see this text on any other  
Site except azlyrics com  
You know you're on the looter's site  
Who use automated robotics programs to  
Steal lyrics you've sent to us  
Because they think that...

Stealing is always better  
Stealing is always better  
Stealing is always better  
Stealing is always better

So this text was never seen by human person  
They don't even know what they add  
That's why this site is a garbage  
Visit only az for any lyrics you need  
Because they think that...

Stealing is always better  
Stealing is always better  
Stealing is always better  
Stealing is always better  
[repeat till end]
