We are living in your trust back to square one again  
this is becoming what  
is was meant to For self-explaitation for meaningless  
narcissism this is  
becoming an encyclopedea for our ideas Suck it up and  
shoot ten upload  
click stop type - I'll sign up to finger fuck your wasted  
coke bottles now  
upload Turn to the left turn to the right try to capture to  
pain the  
juxtaposition between your dark cilhouette and the  
stark while wall  
Capture the ambiguous expression the one that forms  
a marriage  
between concept and form. You might be beautiful let's  
find out - Suck  
it down suck it up a throat swallowing thousands to sing  
you softly to sleep.
