If the promise I gave to you wasn't good enough
Say goodbye to me (goodbye)
If the time I gave to you wasn't long enough
Don't cry to me, or let me see
If you don't trust me then you don't know me
How much I'm here for you

I am here for you
Oh I am here
Oh I am here for you
That's where I'll be

If you take yourself away you might as well take me too
I'm no good without you

If your day seems too dark, alone and too stark
Turn your light to me
I'll shine bright, if you let me

I am here for you
Oh I am here
Oh I am here for you
That's where I'll be

I am here for you
Oh I am here
That's right where I'll be
Why don't you just believe in me
Oh I am here for you
waiting to see
if you will ever believe in me
Here for you
