Never enough, enough of your stuff  
I'm sick of being of being done  
I'm not good enough  
Telling me what i should say or do  
I'm never enough  
Not good enough  
Not good enough  
Not good enough  
Not good enough for you

'Cos you and me  
Should never be  
There is nothing left inside of me  
'Cos you and me  
Should never be  
I'm over you  
You sigh about me

It's always the same  
Kept playing games  
I'm sick of you  
Everything you do  
Have you ever thought  
That maybe i don't care?  
Enough of you  
I'm sick of you  
Everything you say  
Everything you do  
I wish that you just weren't there

'Cos you and me  
Should never be  
There is nothing left inside of me  
'Cos you and me  
Should never be  
I'm over you  
You sigh about me

Not good enough, not good enough  
Good enough, good enough, i'm not good enough  
I'm not good enough for you  
There is nothing left for us to say or do

It's all and done now  
Just walk away  
Just nothing left for me to do  
And there is nothing left to say  
I'm over you  
Never enough  
I'm never enough for you  
There is nothing left to say  
And there is nothing left to do
