I need to find
A place in me
An empty space that'd be
So lonely avoiding me
Don't try to see in me

There's nothing left in me
The way for you to be
There's nothing left to see
Don't try envying me

I only was holding you
I gave my faith to you
Emptiness inside of you
Nothing left but ????

There's nothing left in me
(There's nothing left ...)
The way for you to be
(The way for you ...)
There's nothing left to see
(There's nothing left ...)
Don't try envying me

I gave it all to you
(I gave it all)
Ohh, ooh
Ahhhhhh
(Give myself to you)

There's nothing left to see
(Avoiding me)
The way for you
(... a fantasy)
There's nothing left to see
(Avoiding me)
Don't try envying me
(Avoiding me)

Ahhh-Ahhh

There's nothing left in me

The way for you to be
(Gave myself ...)
There's nothing left to see
(Everything I do)
Don't try envying me
(I gave it all to you)
