A canoball
She craked the wall
Olympic all
She's just a bruised up creature made of love
A bloody dove
From the above

Chorus:
Unknown, the swollen princess is here
Princess is here, princess is here
Now I'm free
Yes I'm free
And I'm just in time for tea
Yes I'm free
Look at me
What you get is what you see

And if I tell you all the truth
Would you promise not to cry
I prefer it back inside
It's nothing that you did or said
I'm just kinda scared
I've just heard life is a fatal disease
She got the grup
New virgin lip
Tornado sip
Synthetic bright blue berry coloured eyes
10.000 cries
10.000 smiles

Chorus:
Unknown, the swollen princess is here
Princess is here, princess is here
Now I'm free
Yes I'm free
And I'm just time for tea
Yes I'm free
Look at me
What you get is what you see

And if I am your pride and joy

Could you find it your hearts
Could you let me back inside
You know I must apologize
If I did offend
I've just heard life is a fatal disease
And if I tell you all the truth
Would you promise not to cry
I prefer it back inside
It's nothing that you did or said
I'm just kinda scared
I've just heard life is a fatal disease
