No, there ain't no scene in the VIP for me  
No, there ain't no scene for me  
No, ain't no scene for me (No)

He's payin' for your vodka, you're using what you got  
Doesn't really want ya, but you don't stop  
'Cause this is what you're here for, and everyone can  
see  
Why this is the place to be

No way, nah, it's not me  
Not right, I wanna get rowdy tonight  
And this sucks, yeah it's fucked up  
You're making me sick, ugh

I hate to say it, but  
There ain't no scene in the VIP for me  
So you can take your glass, shake your ass  
And drown in that martini

'Cause there ain't no scene no scene in the VIP for me  
It's understood that you're all to good  
This shit is crazy  
VIP, VIP

Everybody is someone, no-one's got a clue  
Flash a couple dollars, and who are you?  
Change a little closer, all wrapped up in red (Surprise,  
surprise)  
You wanna get me in bed? Oh!

No way, nah, it's not me  
Not right, I wanna get rowdy tonight  
And this sucks, yeah it's fucked up  
You're making me sick, ugh

I hate to say it, but  
There ain't no scene in the VIP for me  
So you can take your glass, shake your ass  
And drown in that martini

'Cause there ain't no scene in the VIP for me

It's understood that you're all to good  
This shit is crazy  
VIP, VIP

Can you smell the sex?

VIP, VIP

Who you wanna get?

VIP, VIP

Ain't no scene for me

VIP-P-P, VIP

This shit is crazy

I wanna get down, I'm down to get dirty  
Sick of this scene, it doesn't deserve me  
No, there's gotta be somewhere else to go

'Cause I wanna get off, and get a bit trashy  
I wanna get hot, and get a bit nasty  
Oh, oh, baby, let's go

There ain't no scene in the VIP for me  
You can take your glass, shake your ass  
And drown in that martini

'Cause there ain't no scene in the VIP for me  
It's understood that you're all to good  
This shit is crazy  
VIP, VIP

VIP, VIP

VIP, VIP

VIP, VIP
