1st verse)

It ain't the way you move

It ain't the way that you move me

Oh no

It ain't the way you shake

It ain't the way that you shake me

Oh no

It's been 25 years, I'm a kid on the run

I've got a pistol for action

(Chorus)

Don't tell me you love me

Don't tell me you love me

Don't tell me I don't want to know

Don't tell me you love me

Don't tell me you love me

Don't tell me I don't want to know

(2nd verse)

I love the way you use

I love the way that you use me

Oh yeah

I love the way you shoot

I love the way that you shoot to kill me

Oh yeah

It's taken miles and lines to learn the right from the wrong

I'll keep you hanging on

(Chorus)

Don't tell me you love me

Don't tell me you love me

Don't tell me I don't want to know

Don't tell me you love me

Don't tell me you love me

Don't tell me I don't want to know

(Guitar Solos)

Don't tell me you love me

Don't tell me you love me

(you love me, you love me)

Don't tell me you love me

(you love me, you love me)

Don't tell me you love me

(you love me, you love me)

Don't tell me you love me
Love me, love me, love me
Yeah
(Chorus)
Don't tell me you love me
Don't tell me you love me
Don't tell me I don't want to know
Don't tell me you love me
Don't tell me you love me
Don't tell me I don't want to know
