Goodbye - Night Ranger

As the sun hides his head

For another nights rest

And the wind sings

His same old song

And you on the edge

Never close, never far

Always there when I needed a friend

Yet it's hard living life

On this memory-go-round

Always up, always down

Spinning 'round and 'round and 'round

And all this could be

Just a dream so it seems

I was never much good at goodbye

There once was a time

Never far from my mind

On the beach, on the 4th of July

I remember the sand

How you held out your hand

And we touched for what seemed a lifetime

Now it's hard

Leaving all this behind me now

Like a schoolboy so lost

Never found until now

And all this could be

Just a dream so it seems

I was never much good at goodbye

Yet it's hard

Living life on this memory-go-round

Always up, always down

Turning 'round and 'round and 'round

And all this could be

Just a dream so it seems

I was never much good at goodbye

And all this could be

Just a dream so it seems

I was never much good at goodbye

Goodbye
