Sentimental Street - Night Ranger

-----

Saw you walkin' out on Sentimental street

What cha doin' out there

Who ya trying to be

I know what your thinking

"Cause I've been there myself

I've been kicked so many times I don't know nothing  
else

Still I noticed your urgency

And recognized the flair

That ya got from chasing

All those East coast dares

And I've seen it before

It happens time and again

All cut up inside

Yet your caught in a spin

(CHROUS)

Out on

Sentimental street

In the avenues

Take a good hard look  
There ain't nothing ever new  
Ou on  
Sentimental street in the avenues  
Will you ever find out  
Guess I'll leave it up to you  
Saw you dancing  
Out at Madame Wong's Two  
You did those same to steps  
That I taught you back in June  
Heard you dined last night  
At Conte Razor's Cafe  
Did you get your fill  
Did you think you had to pay  
Still I noticed your urgency  
And recognized the pain  
And I'm sure it's the same  
You feel again and again  
And I wish I could get us  
That second chance  
But your having to much fun  
With your sudden romance  
(CHORUS
