What do you do

When it's falling apart

And you knew it was gone

>From the very start

Do you close your eyes

And dream about me

A girl in love

With a gleam in her eye

I was a younger boy

All dressed in white

We're older now

Do you still think about me

I remember

We learned about love

In the back of a Chevrolet

Well, it felt so good to be young

Feels like yesterday

CHORUS

When you close your eyes

Do you dream about me

When you close your eyes
Do you dream about me
Do you still dream about me
I guess I don't know
What I'm thinking
Coming off
A hard night of drinking
Angie, come closer to me
I need a soul to bleed on
It could'a been done
In a different kinda way
But that ain't you
You play tough when you play
It's over now
I bet you still think about me
I remember
I held you so tight
And we danced the night away
With the moves
Of two wide-eyed kids
I need you so much today
CHORUS
I remember
We learned about love
In the back of a Chevrolet

No good for an old memory

To me and so much today

CHORUS
