I think it is probably a random one,
just someone with transferable skills not necessarily in
Hill rolling. Probably just keeping me on my tents. They
don't want me to think I am too much of a shoe in the
tent door.

Opps i broke the tent zipper(x3)

Yeah I took the attitude right from the start of the
tumble that I was their best candidate, but I didn't have
the practical experience. Opps i broke the tent zipper,
oops i broke the tent zipper.

areas such as UFT management, contract and tent
documents, it would take some time to build this up. So
i didn't want to go in asking for top dollar. I think it is
good to have room to move on salary and gives you
something to aim for. Bycycles and co, also has a bonus
scheme which means you get an extra Zipper. Call up a
D.O to fix the Broken tent zipper.

Anyway thats how it went.
sounds good, don't really know much about them these
days.

Opps i broke the tent zipper(x5)(fades...)
