Coma rage gonna rise everyday  
Restless I wait for my time to come  
To break them all no problem  
That's my life  
If you are against you're gonna die  
Big mistake for you  
Having no respect for me  
Now I can destroy you it's fun for me  
Coma rage gonna rise everyday  
Youth on edge  
To fuck 'em all

Gimme some  
Just in time  
Lonely I face the rage of the world  
For people like me no future  
A deadly race  
We're just part of the game  
A good gun in my hands  
Best way to make you understand  
That's the way it's gonna be  
Anytime I meet you in the streets  
Come rage gonna rise everyday
